How to read this chart: For each round (in a shaded color), there are **three numbers**: the **first** number indicates who the opponent was for the round and corresponds with the opponent's final placing in the tournament, the **second** number indicates if the team won (1), lost (0), or drew (0.5) their match in that round, and the **third** number indicates how many game points the team scored. A win is worth one, a draw is one half, and a loss is zero.
